

Teaching Your Teens to Drive

Helping teens become safe, knowledgeable drivers takes time, practice and patience, but AAA is there to help you with the **Teaching Your Teens to Drive** program.

The interactive parent-teen program gradually introduces teens to the world of driving. Includes an illustrated handbook and a 60-minute DVD to help you practice supervised driving. The program offers 13 lessons that focus on:

- *Basic vehicle control;*
- *Freeway and night driving;*
- *Driving emergencies;*
- *Maneuvering in traffic;*
- *Reducing risks, and more!*
