AAA Cruise & Land Vacations
2016 to 2017

AAA Best Price Guarantee
Dear Fellow Traveler,

Here we are just weeks away from successfully navigating our way through another winter. Can’t you feel it in the air already? Though we can’t put away the shovel or pack up those warm sweaters just yet, we can start planning that getaway you’ve been dreaming of the past few months. Don’t wait until it’s too late. Spring and summer are right around the corner!

We all know how soon summer will sneak up on us, so it’s time to get moving on those summer vacation plans. There’s truly no better family destination than Walt Disney World. It is the quintessential summer vacation spot for families – and deservedly so! Check out the deals we have for you on page 10.

For some great vacation ideas, take a look at our AAA Group Vacations. If you’re looking for a different type of vacation, I would be remiss to not mention our Glorious Switzerland or Mexico’s Copper Canyon guided vacation. Or, take a look at one of AAA’s guided cruise vacations – from a 14-Night South America sailing to a 12-Night Southern Caribbean sailing to a 7-Night Enchanting Danube sailing. Details on page 3.

For those looking to head a little further away, we have your ticket to paradise waiting. Turn to page 13 for incredible deals on stunning vacations to Mexico, the Dominican Republic and Costa Rica. We have also several cruise itineraries to places like Bahamas, St. Maarten, Cozumel, and Aruba to choose from on page 20. The options are endless!

So as we move along toward spring, I challenge you to think outside the box. Close your eyes. Take a deep breath and smile. Picture yourself sunbathing on the sands of Maui, staring out at the Caribbean Sea aboard a cruise ship, or strolling through the streets of Barcelona. Doesn’t that all sound perfect? There’s truly nothing stopping you. Visit one of our offices or give us a call today.

Sincerely,

Ted Bard
Vice President of Travel
