

Limited Legal Fee Reimbursement

If you believe you've been unjustly charged with a traffic law violation, AAA can help with the cost of legal fees. To qualify for the reimbursement, you must be found not guilty or have your case dismissed for all charges relating to the incident. A disposition of supervision does not qualify. All claims must be submitted within 60 days after your case or appeal is decided. Please see the membership handbook for complete details.

Limited Legal Fee Reimbursement

If you believe you've been unjustly charged with a traffic law violation, we can help with the cost of legal fees. You can choose your own lawyer and if you're found not guilty of the charges, or if they're dismissed, we'll reimburse you for attorney fees for your defense or appeal (see Reimbursement Schedule below).

We will pay attorney fees **you** incur to **successfully defend a traffic charge** made against you according to the Reimbursement Schedule. If more than one **traffic charge** is made in the ticket, citation or other statement of charges or results from the same incident, **we** will pay no more than the amount shown in the Reimbursement Schedule for the **traffic charge** for which **you** are entitled to the most reimbursement. However, we will pay only **if you successfully defend** all charges.

Reimbursement Schedule

Traffic Charge		Basic Member Reimbursement Limit	AAA Plus or AAA PlusRV Member Reimbursement Limit
Manslaughter	Traffic court defense	\$500	\$1,500
	Appeal	\$500	\$1,500
Reckless Driving	Traffic court defense	\$250	\$500
	Appeal	\$250	\$500
Minor Traffic Violations	Traffic court defense	\$100	\$200
	Appeal	\$100	\$200

Conditions:

1. We will pay only if **you successfully defend traffic charges** which concern events which occur while your AAA Membership is in force.
2. **We** will pay the lesser of your attorney fees or the amount shown in the Reimbursement Schedule.
3. **You** must select and pay **your** lawyer. **We** pay **you**, not **your** lawyer.
4. **You** must request reimbursement within 60 days after **your** case or **appeal** is decided. If you fail to request reimbursement within 60 days we will not pay unless **you** have good cause for all delays.
5. **You** make **your** request for reimbursement by giving us a written statement showing the following:
 - a. The **traffic charge**;
 - b. Events from which the charge arose, and date and place of those events;
 - c. The courts **you** appeared in and the dates of those appearances;
 - d. The date when the case or **appeal** was decided;
 - e. Proof of acquittal and dismissal of any **traffic charge** arising from the same incident without imposition of fines, penalties, points, probation or sanctions.

A statement from **your** lawyer must be provided indicating what services were performed and what the fee was.
