AAA MERRIMACK VALLEY is thrilled to present our wonderful tour to Nashville, Tennessee for the 2011 CMA Music Festival formerly known as Fan Fair. Nashville, Tennessee is a wonderful destination ... known for its famous stars such as Roy Clark, Johnny Cash, Loretta Lynn and many others, it is truly the Country Music Capital of the World!! Come with us in 2011 and have the vacation of a lifetime!! Since 1972, Country Music's most ardent fans have made the pilgrimage to Nashville for a one-of-a-kind event that honors the artist-fan relationship ... the CMA Music Festival. The event, originally hailed as "Fan Fair" was born to accommodate the thousands of Country fans who began showing up to the annual DJ convention hoping to catch a glimpse of the stars attending. When the curtain rose on Fan Fair's inaugural year, about 5,000 enthusiastic fans greeted the event at Nashville's Municipal Auditorium. As Fan Fair evolved through the years, it eventually moved venues to the Tennessee State Fairgrounds in 1982 to accommodate growth, and again in 2001 to its current home in Downtown Nashville where it celebrates its 10th year in 2010. In 2004 the event was re-named CMA Music Festival, with the "Fan Fair" name still married to the event's legacy. The 2009 CMA Music Festival was the most successful to date, having hosted more than 56,000 fans from all over the world each of the event's four days. And now AAA Merrimack Valley is going to add to that number with a group of enthusiastic fans from our area ... it will be wonderful indeed!!
