Central Penn Safety Patrols Take Over the Zembo Shrine Circus!

March 30th and 31st truly were Safety Patrol Days at the Circus! Over 25 schools came to the circus over these two days and enjoyed clowns, animals, acrobatic acts AND a man being shot out of a cannon. To top it all off, this year, attending Safety Patrols took part in a parade before the matinee performances on both days. Patrols were escorted into the arena by the Zembo Motorcycle unit and marched around the arena with their banners proudly displayed. 26 schools marched into the Farm Show Large Arena

and received special recognition for their service to their schools and communities. AAA Central Penn is proud to sponsor such a lavish event and takes every opportunity to showcase members of the AAA School Safety Patrol. We heard many positive comments during the day and thank everyone who was able to attend.

Events like this are important to AAA because the Safety Patrol is a very important program and has been successful for over 85 years. In a world where our young people receive so much negative attention, it is important to highlight the positive impact children are making.

Hopefully, 2007 will see even more Safety Patrollers from

Safety Patrollers pose with the Zembo Clowns

across central PA attending the Circus. Next year, we hope to condense AAA Central Penn Safety Patrol Day at the Circus to one day. This will make the day even more high-profile for attending patrols. Look for more information in January 2007.

WE HOPE TO SEE YOU ALL AGAIN NEXT YEAR!

Clowning around during intermission at the Circus

Congratulations Broad Street Elementary!

Winners of the Banner Design Contest at the Circus

WOW! We were so pleased with the response from the Banner Contest at the Circus and with all the Safety Patrollers who proudly marched into the arena wearing their belts and badges. What a sight to see! The banners that were designed were OUTSTANDING and truly showcased your creativity.

After much deliberation, the winner of the 2006 Banner Design contest is Broad Street Elementary from Mechanicsburg Area School District. With so many excellent banners, it was extremely difficult to choose just one to proclaim the winner, SO extended congratulations go out to Park/Taylor Elementaries from Columbia School District and Maytown Elementary from Donegal School District for their award of "Honorable Mention." Thank you to all the schools who were able to come to the Circus with AAA Central Penn. We enjoyed having you

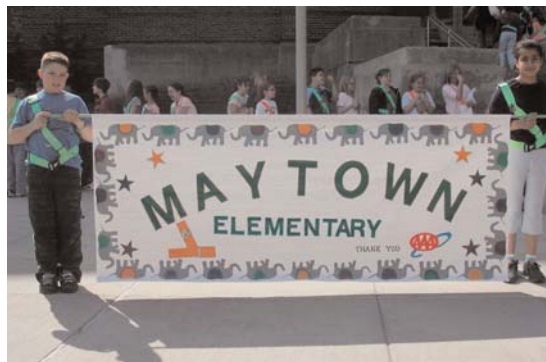

Broad Street Elementary from Mechanicsburg Area School District poses with their banner at the Circus

and look forward to making this a tradition that will last for years and years to come!

Keep up the good work and thank you, once again, for your service to your school and community.

EXCELLENT EFFORT EVERYONE!
We look forward to seeing you next year!
