CLASSROOM LESSONS

Cancellation Policy – An administrative fee of **\$50.00** will be assessed for any cancellations made after classroom space has been reserved for the student.

Absence – In the case of any absence from a classroom session, the student must arrange make-up lesson(s) with the instructor to earn certification.

Disruptive Behavior – Corrective action for disruption will be taken at the instructor's discretion. Disruptive behavior may result in in-house suspension, or parents may be called to pick the student up. There will be no refund or credit given in these cases.

IN-CAR LESSONS

Cancellation Policy – An administrative fee of **\$50.00** will be assessed for course cancellation made after the student has been scheduled for in-car lessons. A 48-hour notice is required if the student will be unable to attend a scheduled in-car lesson. This notice may be provided to either the instructor or the Driving School office. Failure to provide notice will result in a **\$50.00** "No Show" fee.

Late Arrival – A **\$25.00** late fee will be assessed at the instructor's discretion for late arrivals to a scheduled in-car lesson.

PLEASE NOTE

AAA Driving School management reserves the right, at its discretion, to accept or reject any applicant for training, to discontinue training, or to cancel a scheduled lesson or class not limited to the following reasons:

DRIVING SCHOOL

The AAA Driving School is designed to provide the full driving education experience through classroom and in-car instruction.

Parents/Guardians are encouraged to check in with the instructor at the first classroom session and/or the first in-car lesson.

CLASSROOM

The AAA Driving School offers certification to students who complete its 30-hour classroom course. The course includes instruction in the following critical areas: Pennsylvania motoring laws, alcohol/drug risk awareness, signs and signals, defensive driving techniques and theory, the influence of emotions on driving ability, emergency preparedness and different environmental influences on driving.

All classroom sessions are held at a AAA office unless otherwise designated.

To receive classroom certification, each student must successfully complete all 30 hours of instruction. Students are responsible for arranging any necessary make-up sessions with the instructor.

Students are expected to be on time for every classroom session. The instructor will note and deal with late arrivals at his/her discretion.

If a student is unable to participate in the classroom course after it has been scheduled, an administrative fee will be assessed (see attached Driving School Agreement for details). This fee will apply regardless of any refund or credit due to the student.

For the benefit of all of our classroom students, disruptive behavior will not be tolerated. Corrective action is left to the discretion of the instructor. The student may experience in-house suspension, or the instructor may call the parents to pick the student up early. No refunds or credits will be provided in this case.

BEHIND-THE-WHEEL

The AAA Driving School also provides certification for successful completion of our 6-hour in-car package.

In-car lessons are normally held once a week for approximately 4-6 weeks (the amount of practice students are able to get between lessons often dictates the length of time necessary to earn certification).

The AAA Driving School offers flexibility in scheduling to accommodate each student's own schedule as much as possible; however, we cannot guarantee that an instructor will always be available on the dates and times originally requested. All lessons are scheduled in advance. No "walk-ins" will be accepted.

Our in-car instruction focuses on: defensive driving techniques, understanding the vehicle, city driving, expressway driving, country driving and parallel parking.

Our Driver Training Cars are equipped with automatic transmission and dual brake controls. These vehicles are kept in excellent operating condition, and are fully insured.

Students are strongly encouraged to meet their in-car instructor at a designated AAA Central Penn branch office. In the rare instance that the student *must* be picked up at his or her home, an additional fee will be assessed based upon the pick-up location.

Additional fees may be assessed for late arrivals or cancellation of scheduled in-car lessons (see attached Driving School Agreement for details). To avoid additional fees, the student must call the AAA Driving School office (open from 8:00 a.m. to 5:00 p.m., Monday-Friday) at least 48 hours in advance, if unable to attend an in-car lesson. No refund or credit will be given for a missed or cancelled lesson unless this advance notice has been provided.

Students may reschedule in-car driving lessons at a later date; however, **no refund or credit will be provided more than 180 days after the original enrollment date.**

!! Students are required to present a valid learner's permit (Pennsylvania or international driving permit with valid foreign driver's license) prior to every in-car lesson.

!! Students who must wear glasses or contact lenses for driving are required to wear them to every in-car lesson.

!! Failure to comply with either of the above requirements will result in cancellation of the lesson.

Students under 18 years of age must have a parent or guardian's permission to take behind-the-wheel instruction. **Parent/Guardian must sign both sides of the attached form to signify their permission and agreement with AAA Driving School policies.**
