**St. Thomas** - Offers every imaginable shopping opportunity and activity: snorkeling, golfing, hiking, and sailing. Just a few miles away lie St. John and Virgin Islands National Park. Stunning mountain scenery, crystalline waters, and white-sand beaches with palms swaying in the breeze - the US Virgin Islands are truly a slice of paradise.

**St. Lucia** - An oasis of tropical calm nestled below the Pitons, twin peaks rising over 2,600 feet above the azure waters of the Caribbean. The island's capital of Castries is a town of charming, pastel-colored colonial buildings, home to some 60,000 souls. This beautiful island welcomes visitors drawn to its exotic tropical landscape, superb beaches, crystalline waters, and colorful marine life.

**Barbados** - One of the few Caribbean islands solely colonized by one nation. No wonder Bajans describe their country as being "more English sheself," that names like Worthy and Hastings abound, or that you will find a Trafalgar Square. But look around and you know you are not in England: rich and fertile tropical fields meet a glistening, azure sea.

**Grand Turk** - The historical heartbeat of the Turks and Caicos. It is a gorgeous slice of the Caribbean where lovely pastel colored buildings contrast the stunning sandy beaches.
