No one knows the Caribbean better than Royal Caribbean Cruise Line. After all, it is their middle name. And when it comes to beautiful beaches and sparkling blue waters, the Caribbean is really in a league of its own. There are countless adventures within reach on your cruise vacation.

Kings Wharf, Bermuda

King’s Wharf has something for everyone. Sample typical island food and stroll through the shops and museums of the Royal Naval Dockyard, an impressive military fortress built in 1815. Sail the clear waters of Hamilton Sound. Find quaint gems at the Bermuda Arts Center and Craft Market. If that’s not enough, a snorkel park and watersport facility offer hours of activities to the adventuresome.

Nassau, Bahamas

For a city now known for its warming sun and balmy breezes, Nassau has a tumultuous past. First settled by the English, the area was contested by England, France and Spain. For many years, Nassau was a home base for notorious pirates, and it was burned to the ground by the Spanish three different times. Since 1740, however, visitors from all over the world in search of both relaxation and adventure have made Nassau their favorite destination.

CocoCay, Bahamas

Surrounded by the gentle, translucent waters of the Bahamas chain lies the secluded island of Coco Cay®. With its white-sand beaches and spectacular surroundings, CocoCay® is a wonderland of adventure. Reserved exclusively for Royal Caribbean guests, this tropical paradise has recently been updated with new aquatic facilities, nature trails and a ton of great places to just sit back, relax and enjoy a tropical drink.
