BERMUDA - A dreamy tropical isle with a decidedly British flair. From Historic St. George, a charming UNESCO World Heritage Site to Hamilton, with pastel-colored storefronts, there is something for everyone. Proper business attire is Bermuda shorts, cricket is the national sport and afternoon tea goes without saying. An interesting fact about Bermuda is there are more golf courses per square mile than anywhere else in the world. Highlights: the famous pink beaches and secluded coves of South Shore Park, the quaint shops and boutiques of Hamilton, the rich colonial history of St. George.

***** Only ship from East Coast doing St. George's and Hamilton*****

Hamilton - North of the wide Sargasso Sea, Bermuda straddles the unlikely fence between all things British and Caribbean. Discover pink-sand beaches, colorful cottages and British colonial charm.

St. George's - What qualifies an entire town for UNESCO World Heritage Site status? For St. George's (est.1612) it was both British charm - stone buildings, neatly bricked streets, heraldic signs – and the British Army and Royal Navy military installations that protected it through the centuries. Among the town's many historic strongholds is Fort Catherine, housing breathtaking replicas of Britain's Crown Jewels.
