More than fifty years ago, a show about New York City changed musical theatre forever. Now, it's come home to make history once again. From the first notes to the final breath, WEST SIDE STORY is one of the most memorable musicals and greatest love stories of all time. Arthur Laurents' book remains as powerful, poignant and timely as ever. The score by Leonard Bernstein and Stephen Sondheim is widely regarded as one of the best ever written. And the extraordinary, Tony-winning choreography by Jerome Robbins completely changed the language of Broadway dance.
