Magic words:

grant | financial aid | endowment | foundation | fellowship | honorarium | trust

Search on Google.com, Yahoo.com, etc... Use above guide for topics and words to search on. Narrow search by using **quotes** example: scholarships for "Journalism majors". Narrow search even more by adding **magic words** below example: scholarships foundation for "Journalism majors". These magic words are primarily associated with scholarships and are less conversational which will typically yield better search results. Once you identify scholarships consider using an electronic calendar to remind you of application deadlines etc...
