Experience It! Durango & Silverton Railroad
Join us for a ride on the stunning Durango & Silverton Railroad. Winding through the wilderness, this narrow-gauge railway was originally constructed to haul gold and silver ore from the San Juan Mountains. Due to the incredible views it soon became popular with passengers and tourists alike. The Durango & Silverton has run continuously since 1881. Over that time, it has seen many changes... yet the durable line continues to roll on in much the same fashion as those early days. Today, this line (now a National Historic Landmark) carries guests behind vintage coal-fired, steam locomotives.
