

Ciad Mile Fáilte, “one hundred thousand welcomes.”

[Nova Scotia, Canada](#), invites Arc Europe Members to a fall ceilidh.

The name *Nova Scotia* is Latin for ‘New Scotland,’ and was first given to this part of [North America in 1621](#). The [CAA](#) (Canadian Automobile Association) and Arc Europe, welcomes you to explore Nova Scotia: meet its people, celebrate its culture, and receive exclusive Member savings along the way.

Fall is especially beautiful in Nova Scotia. Strolls along the [South Shore of Nova Scotia](#) in October are filled with warm ocean breezes and coastlines dotted with UNESCO Heritage Towns like [Lunenburg](#) where you can see the reconstruction of Nation’s sailing ambassador [The Bluenose](#).

Against the backdrop of the fall foliage celebrations are underway. At [White Point Beach Resort](#), rustic and popular year-round oceanfront destination, the Canadian Thanksgiving will be underway Oct. 7 – 10 and will host the [Liverpool International Ukulele Ceilidh](#) (Oct. 20 – 23). Just be sure to take in a round of Golf on the Oceanside Course to enjoy the views.

Of course, a visit to the South Shore would be complete without a leisurely hike along the white sands inside [Kejimikujik National Park Seaside](#). Lace up and immerse yourself in this natural oasis a part of the [UNESCO Southwest Nova Biosphere](#). Finally, pop over to [Halifax](#), the cultural hub of Atlantic Canada, where you can tour a natural harbour via the [Tall Ship Silva](#) or relax at the countless [waterfront pubs](#).
